

SCOTT LANE

Founder & Chief Executive Officer, Speeki

Scott Lane is founder and CEO of Speeki, an Australian lawyer-turned-entrepreneur who built and sold a global compliance intelligence firm before turning to AI-native sustainability assurance — now pushing to make audit as easy to buy as anything else.

“Assurance builds trust. Great assurance builds trust and value.”

CAREER

- Trained as a lawyer in Australia (Allens); Associate General Counsel, Sun Microsystems (1998–2003); General Counsel APAC, Hitachi Data Systems (2004–2006).
- Founder, CEO and Chairman, The Red Flag Group (2006–2020) — built a global risk and compliance intelligence firm serving Fortune 500 clients across dozens of countries; sold to the London Stock Exchange Group in 2020.
- Founder & CEO, Speeki (2020–present) — an ISO 17021-1 accredited ESG assurance and certification body operating in 100+ countries. Built Speeki’s agentic AI auditor, Nicole.

CREDENTIALS

- ISO Lead Auditor across eight management-system standards, including AI management (ISO 42001), anti-bribery (ISO 37001), compliance (ISO 37301) and information security (ISO 27001).
- Graduate, Australian Institute of Company Directors (AICD); NACD Certified Director.
- Executive education at Harvard, Wharton, INSEAD and MIT; completing an Executive Masters in Sustainable Transformation at IMD.
- Personally delivers Speeki’s executive education programme — 60+ courses spanning ISO management systems, CSRD/ESRS reporting, GHG accounting and sustainability assurance.

SPEAKING TOPICS

- Democratizing audit — AI-native assurance
- Board-level AI governance — ISO 42001
- ESG ratings readiness — CSRD & ESRS reporting

BOARD AVAILABILITY

Scott is open to one or two additional non-executive director appointments, alongside his existing NED role, bringing 25+ years of international leadership and a founder-operator track record to ASX / SGX / UK & European listed companies, PE-backed firms, and government & statutory entities.
